I could fuck this guy all day and all night. He sure knows how to please a woman. I love feeling his hard cock pressing against me while our tongues dance. The way he nibbles my nipples in between kisses is pure magic. I can't get enough of his soft, warm tongue teasing my inner thighs. But for now, his cock will do.

I'm not much of an indoor girl. I like swimming, climbing, riding, camping and fucking in the great outdoors. There's nothing like inhaling fresh air as I inhale a cock into my mouth. And to get fucked outdoors? Better than any bedroom, if you ask me.

## she shares the lust

Yesterday a few things happened that were different for me. While lying beside Jules, he used his thumb to rub my butt hole for like an hour. My discomfort quickly changed to enjoyment. I could sense that he was stroking his cock as he diddled my butt. Rocking my hips back and forth, my butt hole swallowed his thumb. I guess this time it was his thumb getting to butt fuck me!

I was lonely and kind of desperate when I invited over my manager from the bar I worked at for 'drinks and a movie', which, in the dating world means 'small talk before 69'ing.' I really didn't want to have sex with him. I shouldn't have invited him over, but I did. He came over and I immediately realized the bad decision.

## *My Dream Man*

I gaze across the room at his lithe features as he nears me. The strong contours of his face, my eyes tracing the outline of his broad shoulders that seemed to span the room. A swell begins to form inside me as I trace the length of his arms with the tip of my tongue along the inside of my lips.

He pretends not to notice the penetrating stare that indicates my desire swelling for him. Casually sauntering towards me, he reaches out and takes my small hand in his. The size of his hand dwarfs my tiny hand and I begin to realize that the tale of size predicted by a man's hand must surely be true. I shudder at the thought of a massive cock slipping into my moist pussy.

My mind fantasizes about his naked body, showering his skin with gentle nibbles as I taste every inch of his manly surface.

Feeling the moistness left behind as I hungrily slip farther down his abdomen, my mind races at the very thrill of his hot cock slipping between my lips. My heart quickens as I draw nearer still to that hardening mass I want to feel pressing against me.

A slight tremble weakens my knees as I reach downwards to his now erect cock. A moan escapes my parted lips as I take his manhood fully in my hand and tug gently against it making it even harder. I feel his hips grind forward, trying to press inside my hot body.

The moment I feel the heat rising from his groin, I slide my tongue across the tip of his pulsing manhood. As I allow my mind to see the engorged structure thrusting deeper still into my waiting mouth, I am overcome with desire and fully swallow the first half of it to a point of gagging. But

*Dear Editor,*

*I love photos of women sucking cock. It's one of the sexiest images I can think of. I love to watch me suck my man's cock and we've even made videos of me doing it. We've shot bjs in just about every situation in the house and now we've started shooting bjs in public. We're always careful not to get caught. Give me one more shot!*

NASTY HOUSEWIVES PRESENTS
ADULTS ONLY

To the Editor,

Jenna is the girl of my unfulfilled dreams. She's sexy, smiley, hungry and flashy. She has the right lithe body type that I adore. She's feminine without being a sissy girl. I'd eat her pussy in an instant. It's small and tight. Perfect for my tongue to enter it and swirl around inside. I think I could really get into her but my lover doesn't agree. I know that Jenna has done scenes with girls, but I wonder if she does them in her real life or just for the movies. Is that something you could ask her for me? And while you're at it, can you ask if she's the type of girl that likes sex during the day or night better? I know those are pretty weird questions in their banality, but I'm the curious type and the girls around me are so opinionated that I don't know what to believe when they talk anymore. Anyway, I appreciate the time you took to read this letter and get an answer for me from Jenna.

*– Joleane, Savannah*

I fight the urge and try harder to gulp down his swollen cock.

I reach to my own soaked patch and begin to massage my clit as I suck gently on his hardened cock. I gasp somewhat at the thought of our impending combined orgasms. I feel his hot cock pumping violently inside me as he unloads himself deep into my mouth, my own body grinding in rhythm to the pulsations I feel deep in my throat.

His hand reaches around the back of my head and I hear his breath quicken as he nears that moment of eruption. He gently pushes my face deeper into his groin. Grasping my hair, he forces my head farther still into his body and he moans a deep, low wail. I intensify my own massaging of myself as I near that moment of total surrender.

Without warning, a slightly salty taste fills my mouth, followed by a warm rush of sweetness. The thick cum now sliding deep along the walls of my throat, seeming to drain out of my own twitching, dripping pussy. My face is now planted as deep as I can, his cock is fully in my throat and I laugh inside at the feeling that has overcome us both. "Thank you for that. I have so longed for you," I whisper as I casually back away. He follows me with warmth, compassion, and a Porsche.

*– Claudia, Reno*

## *Busted*

All you guys are all alike. You want what you can't have and then you chase it down like a wolf after their prey. Sometimes you win, sometimes you don't. I have studied the Masters and Johnson report on *Human Sexual Response* for years and it has taught me how you guys think. It's all about pussy, which is fine with me because I have one and I like to have it fucked. And I have a mouth, which you guys want to have wrapped around your cock and that's okay. And I have an ass, which you guys will never get!

You just want attention or to get your rocks off with someone else. If you have a mind to do that, don't get into a marriage or relationship. I know you can't predict what's going to happen, but talk it out before you do something to cost you your woman. I don't want to face that in my relationships and don't expect my man to either. That's why I'm trying to expend a lot of sexual energy now so I can settle down to once-a-month sex in married life.

*– Abby, San Antonio*

## married a month and still on her honeymoon

I bit my lip as I felt my body shake. I squeezed my nipples together as I ground further onto his ridiculously hard cock. He pumped faster and faster until my hips were bucking into the air. I collapsed onto the bed my body still trembling from the orgasm that washed over me. I had my best night's sleep that night.

I came really hard. I felt like I owed him, so I got down, pulled his pants off, and put his big cock and juicy balls into my mouth. Making sure I paid attention to them, I gave him a hand job while sucking them. Then, I put my tongue onto his tip, licking and sucking, my head moved up and down for a long, while. Then he came.

He called me Friday to confirm going to the movies and asked if I wanted to grab dinner before hand. I said sure, let's meet an hour before for a nice bite to eat. We had a nice dinner and I decided to use the bathroom and he followed me in asking for a quick blow job right then and there. I did it to him right there.

# What's big and hard and cums all over?

It's the third week of summer and my best girlfriend and I are in a wonderful four-star resort in Punta Cana The Dominican Republic. We've been here for five days and while the sun and water sports have been a lot of fun, they've exhausted us and we haven't gone out much at night. Well, tonight's the night. We ask the concierge where the best dancing is and she suggests a couple places, depending on if we wanted to meet guys or dance. We said both. She chuckled, pulled out a local map and pointed to The Reserve and we were on our way.

Kirsten had slipped on a short black dinner press and I was dressed in a classy romper, if rompers can be considered classy. Her dress was pleated below the waist so it flowed easily and any movement almost revealed the bottom of her butt cheeks. Nonetheless it looked amazing on her and she knew it. Before we left the hotel, I begged her to put some panties on because she didn't want to. After some debate back and forth, we agreed on a black g-string. My undies were a bit more conservative, but still quite sheer and lacy that if viewed properly, left very little to the imagination.

And a good time was had by all, especially my friend Kirsten

We head down to the club about ten at night and found it pretty dead. Oh, there were people there, but no one seemed to be dancing, just a loud murmur hovering over the place. We slinked our way over to the bar and ordered a couple drinks. Finding a table with a couple chairs, we sat and looked more closely around the room. The first drink went down quickly and I went to the bar to buy another round. As I return to the table, I see Kirsten's up and dancing on her own already. I sit at the table and watch her for a moment, catching glimpses of the g-string triangle in the front and cheeky butt in the back every time she twirled. It was quite sensual to watch.

Soon, a large handful of girls jump up and start dancing near her. Of course, this attracts some of the men that were loitering around or just hanging at the bar. The DJ notices and picks a more up-tempo mix and turns up the volume. Soon, the human mass on the dance floor seems to be gyrating in unison. The lights go dimmer and strobe lights pierce the atmosphere now and then in beat with the music. Kirsten is attracting her fair share of guys, but one stands out from the crowd. He was probably six foot two with a nice body, great hair and a big butt. I figured he was probably a football player.

He's dressed in a light blue polo shirt and some pretty tight khakis. On his feet were tan deck shoes

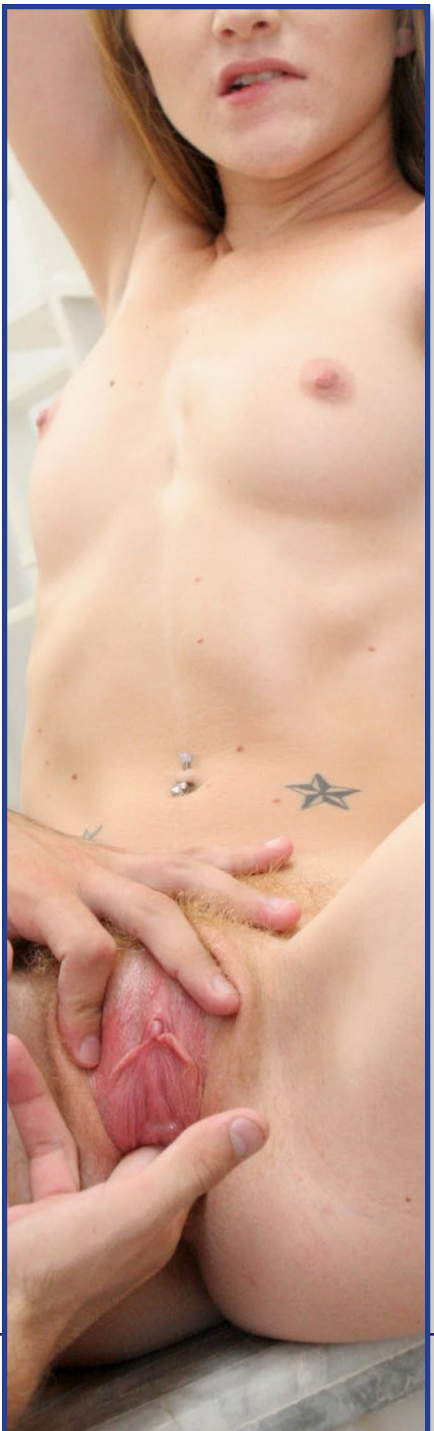
and no socks. Typical of the resort crowd down here. When he turned and the light was just right, an obvious bulge was evident and I'm not referring to his muscles, although they bulged a bit, too. I'm watching everyone dance and I join in, too, I finish my drink, put it down next to Kirsten's full glass. I saunter out onto the floor and maneuver my way past the writhing bodies toward Kirsten. I notice him watching her dance from a few feet away. His eyes are glued to her and as she turns, her dress rides up and reveals her tiny g-string.

That seemed to spur him on so he moves closer over towards her. He walks straight up behind her and starts dancing close behind making sure to bump into her. I'm swaying to the music just a few feet away with my own suitor who feels the need to get within inches of me and gyrate his hips. Kirsten turns around to see who's invaded her space and as she does, she notices the outline of his rather turgid cock. Instead of a scowl, I see her eyes light up and smile at him!

As the DJ changes the beat and the mood, she and I walk back to out table and she takes her drink. Steps behind is the guy who comes over and introduces himself as Glen. We both smile and say that it's nice to meet him, then Kirsten asks if he'll go get me a drink, holding up my empty glass in her other hand. "Sure," he says and heads off. Quickly Kirsten sits on the chair and pulls off her g-string and puts it on the table. That tells me she really wants him. I go back out to the dance floor to leave some space for the two of them. Glen returns with two drinks in hand and sees that I'm gone and Kirsten's panty is on the table. His cock is getting hard and he has to sit down cause it's just too big. I finish my dance and head back to sit with them.

He can't keep his giant off her, ignoring the fact that I'm sitting right there next to them. I look over and Kirsten hands are running up and down the giant bulge in his pants. I can see the look in her eyes that she is going to have that. She takes his hand and spreads her legs slightly as she pushes it under her dress. Her pussy must be is soaked. She tells me she wants to go back to the room with him, but wants to be safe, so I should come too. We grab our few things and leave the club.



They walk together ahead of me, but I don't mind. I'm used to Kirsten's antics since our college days, and she's been around when I got mine and I support her when she gets hers. We get to our hotel and jump into the elevator for the six floor ride. Losing no time, he pins her immediately against the elevator wall, kissing her hard with his big soft lips and tongue. He's cupping her butt and I see one of his hands pressing against her ass. Kirsten pushes back and groans, kissing him back hard.

Glen fingering her from behind as she fumbles with the key card!! We get inside and I close the door. They both are again oblivious to me, and I'm glad. They go over to the sofa area and before sitting down, Glen takes off his shirt and pants, leaving on only his boxers. She starts running her hands over his bulging muscles as I find a chair and settle in. I hear him tell her to get on her knees. This seems to surprise her a bit but she's more than happy to do what she's told. Kirsten grabs his shorts and yanks them down. His cock springs right out and I see it's really, really large. I've never seen anything like it, maybe nine or ten full inches.

Kirsten doesn't even hesitate and wrap her lips around his giant knob.

It's throbbing hard and it's stretching her mouth, She's choking on the knob alone. After five minutes of that, his cock is a big wet mess, even her dress is soaked. She stands up and Glen pulls her dress over her head and he leans forward sucking on her boobs and manhandling her everywhere. He picks her up and lays her on the bed. Kirsten opens her legs wide inviting him in. He lays his cock on top of her pussy and it reaches her navel. I take off my shoes and sit on the bottom corner of the bed. The shows about to start and I have a front row seat.

Glen wastes no time running his cock over her pussy, opening her pussy lips to wrap around his shaft.

Kirsten starts telling him to fuck her. He pushes his giant knob in a tiny bit and her pussy stretches to take it all in. But he's still teasing her with just the knob. She can't take it anymore starts pushing yourself on it, filling her up. He starts pushing it until it's all the way in, and I can tell she can feel it on her insides! Her body starts shaking violently as she cum quickly and so hard. Glen slides it all the way out and watches her cum run out everywhere. Satisfied, he thrusts it back in and she moans in pleasure!

He starts fucking her again and his huge size makes her body shake. He keeps saying how tight she is and chuckle to myself because he's probably too big for almost every girl. Kirsten notices he's going to come and no way does she want this to end just yet. She pushes him off and repositions herself so she sits on his lap facing him with her feet on his taught quads. She lowers herself onto his giant throbbing cock and starts pushing it in deeper and deeper every time. She spins and rides him backwards now, grabbing his ankles and smiling at me as I watch them.

**She spins and rides him backwards now, grabbing his ankles and smiling at me as I watch them.**

Kirsten brings herself to cum a couple more times and then he spins her back around and picks her up with his cock still inside. I chuckle again thinking it is probably big enough to hold her up on its own. He's holding her mid air and fucking her hard as she clings to him with all fours and screams again in pleasure. He starts telling her that he's about to cum and asks if he can fill her pussy. Kirsten nods in between your screams and moans. Then she must feel his cock start to throb, getting bigger and bigger. This makes her cum again right at the same time she feels his huge warm load fill her pussy. Glen keeps his cock inside her and lays her back down on the bed. With a couple slow hard thrusts to say good buy, he hops off Kirsten and the bed.

I see his cock is still hard and cum is dripping from it. I raise my hand and curl my finger at him to come over. He does and I take his hugeness into my mouth and begin to lick it clean. I swirl my tongue all around his huge purple head, being sure to get under the crown, and then take as much as I can deep into my mouth, slurping what's ever on the shaft. I pull me head back and it comes out with a large popping sound.

Glen gathers his stuff and gets dressed. Kirsten is sitting up against the headboard and I'm still at the bottom. He looks at us quizzically and we smile back at him, waving goodbye like parade princesses.

# why don't we get wet together

Everything went on for the next couple months just as it always had with my husband splitting his time between me and work. Lately, we started getting together more than usual. It was like we couldn't get enough of each other. I finally realized his cock was designed for just my pussy. It fit in there like a warm hard charm.
